

# Committed to Safeguarding Children

## Information for Parents & Guardians

The Bund and its affiliated movements are committed to creating a positive and safe environment during activities, camps and seminars so that all children can learn and develop.

We take the safety of your children very seriously, and have put in place guidelines to improve protection from child abuse and, in the event of an incident, make a timely and targeted response.

In consideration of this, we invite you as parents to be vigilant, talk to your child, hear what they say, make your own observations, and if you have concerns to bring them to the movement or other place you may feel appropriate. Our contact details and the contact details of relevant state and federal government and NGO authorities are at the bottom of this document.

We call on parents/guardians whose children attend SKIF to please:

- **observe our guidelines for parents (as outlined in our Safeguarding Children Policy, available on our website)**
- **read and understand the Bund Safety Guidelines**
- **in the event of serious or ongoing breaches of these guidelines by any person, report the matter to the Helfer Grupe or the Forzitser in charge so that appropriate action can be taken**

Above all, the safety of your children is of our highest priority. We seek to create an open environment between parents and the Helfer Grupe to ensure the safety of your children at all times.
